CONFLICT OF INTEREST CODE

COUNTY OF SAN LUIS OBISPO

The Political Reform Act, codified in Government Code section 81000 et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission (“FPPC”) has adopted Title 2 of the California Code of Regulations, section 18730, which contains the terms of a standard conflict of interest code (“the model code”) that may be adopted by local agencies and its provisions incorporated by reference. The Fair Political Practices Commission, after public notice and a hearing, may amend section 18730 to conform to amendments to the Political Reform Act. The Board of Supervisors of the County of San Luis Obispo has deemed it advisable to adopt the FPPC’s model code. Therefore, the terms of Title 2 of the California Code of Regulations, section 18730, and any future amendments to it duly adopted by the FPPC, along with attached disclosure categories (Appendix A) and designated position lists (Appendices B and C) set forth herein, constitute the conflict of interest code for the County of San Luis Obispo.

Any person holding a position designated in Appendices B and C is required to file a Statement of Economic Interest in accordance with Title 2, section 18730 of the California Code of Regulations, disclosing those categories of interests designated in the applicable appendices and set forth in Appendix A.
